DESCRIPTION

A unit of Orruk Boar Chariots can have any number of models. Each chariot has a Crew of Orruks armed with Pigstikka Spears. The ramshackle chariots have Scythed Wheels and are drawn into battle by War Boars that bite and gore the foe with their sharp Tusks.

ABILITIES

Scythed Wheels: Roll a dice after an Orruk Boar Chariot has successfully charged during its turn: on a 4 or more it inflicts D3 mortal wounds on an enemy unit within 1".

Tusker Charge: You can re-roll failed wound rolls when attacking with a War Boar's Tusks if its unit charged in the same turn.
